

“Reforest the Hill”

Help the Village Green Areas Advisory Committee

The residents of Indian Hill take great pride in preserving the woodlands, meadows and streams, encouraging plant and animal life and in preserving the large “filter of forests and rock formations” throughout the Village. In order to ensure continued achievement of these goals, the Village of Indian Hill is presenting a community-wide collaboration where residents and community organizations can help maintain thousands of acres and protect the rural character of the Village with the “Reforest the Hill” program.

Sponsorship:

1. Sponsor the Village. All donations will go specifically toward the purchase of native trees, understory seeds and plants. Village staff will complete the planting of sponsored trees along Village Roads, in Green Areas, Bridle Trails and throughout Open Spaces owned by the Village.
2. If you are part of a community organization located in the Village of Indian Hill that has an interest in purchasing trees with the Village and would like to utilize the Village’s bulk purchase rate, please contact Kathy Dorman at (513) 979-6215. The Village can then assist and coordinate delivery of trees to your community facility for you to plant this fall.

Sponsorship Levels:

- **Sapling - under \$250** *The Sapling sponsorship level allows the Village to build funds to support the continuous efforts to replace the devastated trees over thousands of acres throughout the Village.*
- **Tree - \$250** *The Tree sponsorship level allows the Village to purchase and replace a dead tree along the roadway, in green areas and open spaces throughout the Village.*
- **Grove - \$2,500** *The Grove sponsorship level allows the Village to purchase and plant up to 10 trees to replace the devastated stands of trees in green areas and open spaces throughout the Village.*
- **Forest - above \$2,500** *The Forest sponsorship level allows the Village to purchase a large variety of trees to support replacement of the devastated trees along roadways, in green areas, in public parks and open spaces over thousands of acres.*

All Sponsorship Levels Include:

Various sized trees planted by Village staff or volunteers, a tree tag, watering bag, animal guard and ground restoration of native seed mix and mulch.

For questions about the program, please contact Kathy Dorman by email at kdorman@ihill.org or by phone at (513) 979-6215.
