

INDIAN HILL CHARTER REVIEW UPDATE

Over the last several months, the Indian Hill Bulletin and Village website have included articles regarding the Village's Charter Review Committee which was created to assess the entire Village Charter that was last amended by voters in 1999. Over several meetings, the Committee made recommendations which assist in creating more efficient and effective municipal operations while also bringing the Charter format up-to-date.

Those recommendations were discussed at the September 2019 Community Forum and were presented to Council in three separate readings at Council meetings that included a public hearing and final legislative approval in November.

This month, the Hamilton County Board of Elections has validated Council's request to place the recommended Charter changes on the **March 17, 2020 ballot**. All registered voters within the Village will receive a letter that includes an Executive Summary of the recommended changes along with a full presentation of the recommended revised Charter. This same information is also available on the Village website www.ihill.org.

If you have questions regarding the Charter recommendations or if you do not receive a letter, please contact Dina Minneci, City Manager, at dminneci@ihill.org or 513-561-6500.
